You like living stones are being built into a spiritual house.

1st Peter 2:5

The men of Team 1156 are ready to serve the Body of Christ – our spiritual houses have been formed in Christ, and our hearts opened to unimagined possibilities, and our hands readied to be anonymous servants. We trust the power of God working among us and within us. May we be living stones to each pilgrim. Thank you for all the prayers and support!
