September, 1991

OOPS!!!

Pat Redlin's name was accidentally left off the August RB list of FUMC members who attended the Women's July "Walk", and Susan Williams' name was omitted from the list of pilgrims who'll be on the September "Walk".

FOURTH DAY

I am constantly reminded of the man who, was warned to leave his home in the flood prone valley three times. He refused to leave after each warning by telling his would-be rescuers that "God will rescue me". Finally the man drowned and upon arrival at St. Peter's Gate he demanded his audience with the Lord. The Lord upon hearing the man's plight asked what else HE could have done after sending two boats and a helicopter to save him. Too often we believe God will extend his hand from on high to "save" us. I've never seen it that way, maybe you have. I find God in the inner peace known as "my heart" and when I go there I find Him waiting and His inner voice guides me. **De Colores! Jim Boggs**
