Women's Journey to Damascus #18

October 2002

"I am the light of the world. He who follows me shall not walk in darkness, but have the light of life." John 8:12  
Our God is an Awesome God ... He has been very busy preparing the lights in our souls with outstanding talks, music, dancing and prayer so that we may be the lights for the Pilgrims on Journey #18. The lights are going to shine brighter than ever before over our beautiful city named "The Body of Christ." I invite you to join us for Sponsor Service, Prayer Chapel, Candlelight and Closing ... and let your light shine. Please continue to keep us in your prayers.  
DeColores, Kristi Northcutt, Lay Director

# Men's Walk to Emmaus # 1031

October 31 - November 3

Ephesians 1: 18; I pray that the eyes of your heart may be opened.

Thanks to all who are praying for Walk #1031 and especially for those prayers that were answered concerning our talk room and the new modular building. What a wonderful answered prayer. We do have need for two things; first please continue to keep our Walk in your prayers and second, we do need agape. You can contact me directly at 814.2919 if you would like to provide some agape.

De Colores, Ray Hayes LD

*That ...*

you can access this newsletter on line at [www.coastalbendemmas.org](http://www.coastalbendemmas.org)? You would be notified by e-mail that the newsletter was available for downloading and you would receive it earlier than usual?

*That ...*

by becoming an on-line subscriber you would automatically enhance your stewardship because of the savings realized: reduced printing and postage costs, as well as the voluntary labor to compose, typeset and prepare the news letter for bulk mailing - not to mention the number of trees that would be spared?

*That ...*

the annual expense for the 2750+ newsletters currently mailed monthly is approximately \$8,500, which grows with each subsequent Chrysalis, Damascus and Emmaus event?

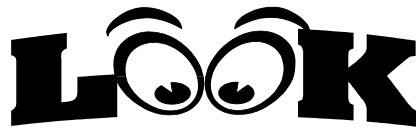

*That ...*

a very devoted Journey to Damascus reunion group volunteers approximately EIGHT hours every month to properly label, sort and deliver the newsletter for bulk mailing?

*That ...*

for every change of address that results in returned mail, the community is charged approximately \$.60, and the annual costs for these expenses is about \$350?

The CBEC board tries hard to be good stewards of the funds donated by the community, and we encourage those of you who have access to our website to become on-line subscribers, by advising Jim Kidwell, our Community Roster Coordinator, at [roster@coastalbendemmas.org](mailto:roster@coastalbendemmas.org) to add your name to the website mailing list.

Emmaus, Damascus and Chrysalis Friends

Our new facilities are in place! The new conference room and project room were moved in and set up just in time for the September Women's Walk. They were described by one team member as "incredible, comfortable and useful. God is so good, because in our prayers and trust in Him, He blessed us with something even better than what we had before!!! The layout is ideal, and the angels constantly commented on how much easier it is to have almost everything on one side of the retreat center."

Thank you to all of you who contributed to our building fund. **However, we still need your help!** If you have already contributed, please pass this on to others who may not yet have had the opportunity to share in the blessing! **If you have not contributed, please consider making a contribution now.** All the setup money has been spent, and we haven't raised half of it yet.

The Coastal Bend Emmaus Community (CBEC) board has agreed to use our treasury as a conduit for these funds. **If you would like to contribute**, please make a check out to "CBEC" and mark "Building Fund" in the memo line.

**Mail the check to CBEC Building Fund, 4514 Congressional Drive, Corpus Christi, Texas 78413**

One of the main ideas of the Emmaus movement is that we do not compete with churches. We do not want this to interfere with any pledging that you are involved in at your church. But if you have some extra money and would like to help, it will greatly help the local Emmaus, Damascus and Chrysalis programs.

# Prayer Service

**Friday, October 18, 2002**  
**Jazz Festival Prayer Service**  
**5:30-6:30 P.M.**

*Heritage Park - White stage - the Galvan House*

Join with the Unity Praise Band led by Rev. Steve Coronado and local pastors as we praise the Lord and pray for revival in Corpus Christi and our world. Come and be a part of the "Body of Christ" with your brothers and sisters as we share in the joy and strength of our Lord.

# Thank You!

The pilgrims and team of Walk #1016, lovingly known as the "Texas Sweet Onions," extend our eternal gratitude to our Emmaus Community for the outpouring of love showered upon us during Walk #1016, and in the days following. Your support has given us the courage and faith to walk the Fourth Day with Jesus. During our Walk, there was no need uncared for, no hunger unsatisfied, no tear that wasn't shared and comforted, and no joy greater than ours. Your support made this a realization, and we are proud to be welcomed into the Coastal Bend Emmaus Community. Many, many, many thanks to each of you who cared for us, prayed for us and helped us to begin a life changing journey with Jesus. DeColores, Pan Dora Thomas, Pilgrim (Vicki Beck, LD)
