## Sponsorship

Dear Emmaus Brothers & Sisters,

I don't know about you, but it has been awhile since I've had that mountain top high from my Emmaus walk. To tell you the truth I got rather spoiled as a baby Christian with His loving presence and gentle ways. But I know He is not going to let me remain there and wants me to trust Him, trust that if I will be willing and available, He will work through me. I know He is pushing me out of the nest, and I find myself kicking and screaming "I don't want to go" while praying at the same time 'your will not mine'.

I was reminded once again that the gift of the Walk to Emmaus is something to be shared. I had the opportunity to sponsor a friend on this past women's walk. The closing ceremony was so rewarding and uplifting; kind of helps you remember why we do it. While Candlelight is always fantastic, I forgot how refreshing it is to hear the pilgrims verbalize what the Walk means to them. My own pilgrim thanked me a million times over and said she couldn't put into words what it meant to her. All the explanations were heartfelt, like a sin that they had carried all these years and could finally put behind them; a love that they never knew existed; what heaven was going to be like...and how incredibly life changing these 72 hours are.

Just like leaving that nest I mentioned earlier, the vast majority of the pilgrims said they had been very reluctant about going on the Walk, but every single woman was deeply appreciative. One woman said the only way she could get a friend to stop bugging her was to actually go on the Walk. So have you bugged any of your friends lately?

The Walk was the best gift I have ever received and I plan to keep passing it on. I hope you will too. DeColores Gail

## Thank You

The Holy Spirit was working overtime on Walk 1232: blessings were abundant, lives were healed and changed, new commitments to Christ were made and others renewed, prayers were answered, new friendships were made, and the local Body of Christ was made stronger with the addition of 30 new sisters-in-Christ to the Coastal Bend community. What a blessing it was to be among such a fabulous group of women whose bonds were firmly rooted by early Friday afternoon! The team did an outstanding job of preparing themselves spiritually and were richly blessed for being such blessings to the pilgrims. The pilgrims God sent were beautiful ladies whose hearts were open to receiving all that God had intended for them. It certainly was a weekend to remember and to cherish. Thank you for the opportunity and the honor to serve as Lay Director. De Colores, Lynn Cates

## Friday Night Corpus Christi

The first **Friday Night Corpus Christi** was fabulous. You who were able to attend got a taste of what the Lord's presence is like when we have just the beginning of unity of spirit in the bond of peace. It took great courage for Bubba Stahl and First Baptist Church to host such an event and literally to give up control to a Catholic Priest (Father Bob Dunn) and a Charismatic Worship Leader or better said (Lead Worshiper) Steve Coronado, Jr. A great big 'thank you' to them and may God richly bless these men of God. We had somewhere between 650-700 people from **53 different churches**.

This month's event is hosted at Most Precious Blood Catholic Church on June 3<sup>rd</sup> and will be even better. Rev. Steve Fieldcamp from First United Methodist Church will be handling the prayer time with Praise and Worship led by Randy Waltermann from CC Christian Fellowship. Join us at **Friday Night Corpus Christi** City-Wide Praise and Worship!

As of this printing the location and exact date for July has not been set. For the latest information on the next event check out our our WEB site [www.FridayNightCC.com](http://www.FridayNightCC.com) or contact Scotty at 815-9999, [4scotty@msn.com](mailto:4scotty@msn.com).

**"I am the vine; you are the branches...This is to my Father's glory, that you bear much fruit and show that you are my disciples." John 15: 5,8**

Brothers and Sisters in Christ, as we prepare for the pilgrims attending Walk No. 1235, I am truly humbled to be serving with such a dedicated group of Christian disciples. The team members and their families have been joyfully preparing to serve the pilgrims and bring honor and glory to our Lord on this traditional Father's Day Walk, and I have no doubt that God will richly bless all of those men and women participating during this weekend. I ask that you keep the pilgrims and the team members (and, of course, their families), as well as all of those working behind the scenes, in your prayers, asking God to bless them and to let them feel the power of the Holy Spirit moving within and amongst them during these three days, and beyond.

Grace, Peace, and De Colores! Joe Christina LD
