Greater JTD and WTE Communities

It has been an honor and privilege to serve on the community Board and witness the growing relationship between the WTE and JTD communities. There has been an increased effort to share our faith experiences as we journey to the Kingdom through team formation. However, there are limitations to the number of team members and time available to serve in this capacity. When unable to serve on a JTD or WTE team, community members need not be discouraged. The avenues to serve our Lord and show the Agape Love are still plentiful. "There are different kinds of gifts, but the same Spirit. There are different kinds of service, but the same Lord. There are different kinds of working, but the same God works all of them in all men. (1 Corinthians 12:4-6)

The gift of "agape", unselfish, unconditional love is widely available throughout the weekend. One of the most powerful forms of agape is Prayer. Offering prayers and petitions during the weekend, whether in the chapel or other place of worship, will help fulfill you spiritually and facilitate the weekend's success. Praying with and for the speakers, praying for the pilgrims to welcome the Holy Spirit and receive God's forgiveness and unconditional love are powerful opportunities to give back to the community.

Additionally, the gift of "green agape", providing for the resources needed for the weekend is in great demand. Sharing your God given resources to allow the team to fulfill the commitments of the weekend, or sponsoring a pilgrim will provide a deep satisfaction and sense of belonging and commitment to the weekend. The agape books are passed out at Candlelight and Closing ceremonies.

Speaking of Candlelight and Closing. The JTD has been wonderfully served over the last couple of years in this ministry. The Candlelight and Closing Committee Chairman serves each weekend with the team to coordinate the set up and preparation of St. Theresa's gym and St. Joseph's Hall. The JTD Board is looking for a community volunteer to coordinate Candlelight and Closing Ceremonies for 2011. The list of procedures and processes are in place, but someone is needed to organize community members or reunion group help for each weekend. You'll be working with the weekend team, the music team and the Community Board. Every Candlelight and Closing are special, and this is an awesome opportunity to serve without the commitment of team meetings, 3 days weekends, long hours and other sacrifices for the lots are attended by community volunteers. They also serve at the ceremony by collecting the green agape at Candlelight and serving the agape meal. If you are unable to commit to serve on weekend.

At each of the Candlelight and closing ceremonies, the parking a team, here is a great opportunity to show your Christian Action and unselfishly serve our Lord.

If you are interested in participation in any capacity outside of the team, the JTD and WTE Boards would like to speak with you. You may contact either Judith Storms or me at our emails listed in the Rainbow Bend newsletter, or you may communicate with a Lay Director for a particular weekend. "For I have given you an example, that you also should do just as I have done to you. Truly, truly, I say to you, a servant is not greater than his master, nor is a messenger greater than the one who sent him. If you know these things, blessed are you if you do them." (John 13:15-17)
