

Hi,

The Walk to Emmaus is a three-day immersive experience offered by the local Coastal Bend Emmaus Community. The inspiration comes from the Gospel of Luke, Chapter 24, in which after His resurrection, Jesus walked with his two followers who did not fully recognize Him.

The CB Emmaus Community has a Women's Walk scheduled for Nov. 10-13. During the three days, you'll hear 15 talks based on personal testimonies of others who have made the Walk before you. Each talk, worship service, and retreat event offers you another opportunity to grow closer to Christ on your own personal Walk with Him. Your participation in all aspects of the Walk would be voluntary; you won't be asked to give a testimony yourself.

To allow you to explore the Walk program more thoroughly, we've included links to the Coastal Bend Emmaus website outlining the basic structure:

Since your Walk participation does intersect with your individual professional commitments and your family and home obligations for that weekend, some additional information is pertinent. As you explore the possibility of participating in your Walk, it's important to know that attending a Walk relies on your total attention and concentration from late Thursday afternoon through late Sunday afternoon of your Walk weekend.

You'll need to be able to leave phones, watches and other communications devices at home for the duration of the Walk. Hopefully, having several weeks to arrange time off from work or cover other responsibilities will allow you to consider taking part the next Walk. Although Walks offer spiritual renewal, they are not necessarily restful. You'll need to adhere to the Walk schedule throughout the weekend.

Apart from not being "in this world" for the three days, you have the blessing of carrying no responsibilities as you experience the peace and unconditional agape love of Christ, as presented by a team of dedicated Christians serving as His hands and feet. If participating in this Walk appeals to you, I would be happy to meet to answer other questions and discuss your next steps.

If you're ready to apply for the next Emmaus Walk, here's the application link.
